## COMMUNITY ROUNDTABLE FOR YOUTH SMOKING PREVENTION

The Department of Licensing and Consumer Protection (DLCP) is hosting a community roundtable to discuss youth tobacco prevention and the Flavored Tobacco Product Prohibition Amendment Act of 2021. Last fall, the District banned the sale of flavored tobacco and electronic smoking devices within one quarter mile of a middle school or high school.

Join our roundtable for Wards 1 and 4 to learn more about how DLCP's enforcement keeps our community safe and how to keep youth safe from the effects of tobacco products such as vapes, flavored tobacco and e-cigarettes.

Location: Frank D. Reeves Municipal Center
